Annual Report

**One Purpose** : Engaging and Empowering the Global Church for Action

Dear LifeChanger,

What another wonderful year together! It always amazes me that God has allowed us join in His "cause" around the world. Thank you for your continued partnership with Global Action. It is truly a privilege to serve with you!

Hopefully, as you read this brief report, you will be pleased at the impact we have made together in the areas where God has granted the opportunity. Global Action is fulfilling its purpose of engaging and empowering the Global Church to fulfill the Great "Cause" of Christ...to make disciples in all nations. As we look back at the past year, we also look forward to many open doors and the powerful, effective, and focused strategy to which God continues to call us all to fulfill.

Henry Blackaby says, "*Find out where God is at work and join Him there.*" God IS moving in the world in powerful way. Together, we are working in those areas to equip pastors and church leaders around the world by providing the right kind of balanced Biblical training, a missional vision, and an environment of unity among our network of like-minded leaders. The focus of everything we do is to support the local church around the world to create a greater impact in their communities for God.

My hope and prayer is that each one of us will continue to lift Jesus higher in the neediest parts of the world. Together, we are making a difference for God in His kingdom!

Many blessings,

# ONE PURPOSE

## Purpose

Engaging and empowering the Global Church for action, and fulfilling the great “cause” of Christ. At Global Action, we equip pastors and church leaders by providing:

- ▶ Biblical Based Training
- ▶ Missional Vision
- ▶ Network of Like-Minded Leaders

## Core Values

As we define who Global Action is we have identified the following core values as essential and irreplaceable:

- Love and Honor God ◀
- Empower People ◀
- Passionate Effort ◀
- Grateful Attitude ◀

## Our Partnership

To be successful we are dependent on our partners: prayer partners, donors, *Global Action* worldwide staff and offices, and local churches. We are grateful for each one!

## 2013 GLOMOS

### 377 Trained GLOMOS Leaders

- ▶ India ..... 244
- ▶ Ukraine ..... 57
- ▶ El Salvador ..... 33
- ▶ Honduras ..... 43

### Manish Joshua; Ranchi India

"I'm really thankful to Global Action for this wonderful course. I've never had any classroom theology teaching, and GLOMOS has really changed my life. Before joining GLOMOS, I didn't have vision of Church Planting, but while attending GLOMOS I planted a small house church."

### Pastor Caleb Ganta; Odisha, India

"I praise God for GLOMOS. This is where I have been equipped for a fruitful and effective ministry; without it, I would never have gotten any Biblical ministry training. I am very blessed by the training GLOMOS is giving and so are my congregation members."

### Roberto Cadwell, Honduras

"GLOMOS has given us the teaching and preaching tools to do our work effectively; and we have organized ten Bible study groups in homes, with 600 kids in Bible Study Groups."

## Camps

▶ 299 Camp Attendees

We had the pleasure of hosting some amazing children who are wheelchair bound into the camps. We had a delightful time with these beautiful children.

**Andrey, Ukraine Camp**

When Andrey came to summer camp, he was so afraid of the counselors. He would often misunderstand their attempts to help, and would yell "Please, don't beat me," or "Don't come near me." Through the course of the camp, the counselors began to see marked improvement, which culminated on a hearty hug and a plea to live at the camp .

## Ukraine Hope Center Programs

- ▶ Around Kerch
- ▶ Christmas Festival
- ▶ Pockatok Collaborative Programs
- ▶ Orphanage Outreach
- ▶ Medical Supply Distribution
- ▶ After School Program
- ▶ "With You" Mentoring program

## Georgia, Ukraine Camps

"I went to Ukraine; nervous, apprehensive and wondering if I could really teach these broken children anything. However, I returned fulfilled. I returned confident in my belief that the power of LOVE is able to not only impact lives, but transform lives. I came home knowing how rich I am in LOVE, both given and received, and now knowing that - I just want to share it. "

## INDIA HOPE CENTER

### Arun & Neeta Nigam

**News** ► Arun and Neeta joined the IHC in July 2013. From a Hindu background, they received Christ in 2001, after Arun had struggled with his health for 2 years. Two and a half years after their salvation experience, God totally healed him. His Hindu family and friends disowned him and ousted him from their community. Both are highly educated and have a heart to see the lost healed and delivered. God has placed a calling on both of their lives and we are so happy

### Boarding School

The best way for a child to learn is when they are in a safe and loving environment. While enrolled in school, each child lives at the center helping them to grow in knowledge and character. In this nurturing environment, each child has the stability and training they need to grow into strong Christians. We are currently in the process of getting the school certified with the government. We have 19 children boarding at our school, and have hopes to

### K - 7 School, India

Knowledge and education are powerful tools to break the cycle of poverty in nations like India. This year, we had 150 students enrolled in grades K - 7. Starting the Hope Center School has brought a ray of hope to these young children. Now they can dream big and

### Mobile Clinic to Villages, India

There is little access to medical attention in the remote villages near Motipur. Through your generous support we now have a mobile clinic that is able to treat the sick and hurting. This also creates a great opportunity to pray with each person and share the Good News of Jesus. We have helped 500 people this last year alone.

## 2013 COMPASSION

### Blanket Ministry, India

For several years now, *Global Action* has provided thousands of blankets for evangelistic outreach in Northern India and Nepal. Winter temperatures drop below freezing and many of the children run around with little or no clothes. In winter, 2013, Uttar Pradesh experienced record low temperatures. We use these blankets in the slums of Delhi, Kolkata, and Lucknow and the surrounding villages like Motipur as well as in the foothills of the Himalayas and in leper colonies around Hyderabad. We gave out a total of 2,150 blankets. In addition, we gave out clothing and jackets to severely poor children, HIV patients, and throughout a leper colony. Part of the

blanket ministry was also supplying medicine to the sick and we saw hundreds come to Christ through these ministries. All of this was done through 32 of our GLOMOS alumni in 32 villages.

### Medical Equipment, Nigeria

Working with The Salvation Army in Sweden, we were able to equip a children's hospital in Lagos, Nigeria, with much needed medical equipment. There are an estimated 10.9 Million\* children suffer from malnutrition in Nigeria, approximately 33%\* of them will die from lack of food. Thank God we are able to help them in a small way.

## Ongoing Pastoral Training

This year, we were able to do ongoing training for our GLOMOS alumni pastors. Subjects varied from church growth, family & marriage, children ministries, as well as other subjects. These events were usually one day seminars and corresponded with giving out of training tools & books. This is a major part of the future networking piece that brings like-minded Christian leaders that have trained together and will serve the church in a tremendous way.

## 2013 LOOKING FORWARD

### ► **GLOMOS Training Program**

This coming year we have 8 locations in 4 countries scheduled for classes. This has been and will continue to be our core focus. We anticipate the global impact transcending denominations, cultural and national barriers.

### ► **GLOMOS Annual Conference**

This is ongoing education and support for pastors and church leaders in areas where we have GLOMOS students and alumni. We will begin to explore the opportunities for the United States and the United Kingdom to bring teams and ministers side by side with their national brothers and sisters.

### ► **India Hope Center**

This is a community project with the core being the local church there. We are training pastors in the church as part of GLOMOS. We currently have the only Christian school in the area and expect 25-30 boarding students as well. The key is strong pastoral leadership with a vision to win and disciple new believers.

### ► **Ukraine Hope Center**

The summer camps are the focal point of this center. However, we will be running some of these same programs as in the past. Our Christmas Festival and "Around Kerch" are two of the most effective programs.

### ► **Blanket Ministry**

We use the blanket ministry as an evangelistic tool to help churches practically reach out to their communities. We have testimonies upon testimonies of salvations through the receiving of a simple blanket. Clothing and medicine are also part of this ministry to the disadvantaged and destitute.

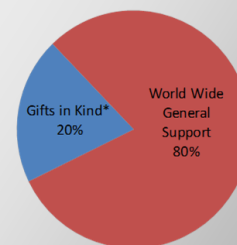

### ► **Medical Equipment**

Besides the outreach "compassion" aspect this gives Christians incredible influence and credibility within the countries we send equipment. We are planning to send containers into 3 countries where we work or where we want influence for the church in future areas of ministry.

## 15 Years Transforming Lives

- ▶ 250,500 Bibles and New Testaments have been provided
- ▶ 55,000 Evangelistic booklets have been printed and distributed
- ▶ 265,565 People have come to know Jesus (that we know about)
- ▶ 27,895 Pastors have attended 84 conferences
- ▶ 5,763 Students in 6 countries have graduated from the GLOMOS training program
- ▶ 253,189 New converts from churches planted from these graduates
- ▶ 24,005 Lay persons have been trained
- ▶ 186,000 Pastors' tools have been distributed
- ▶ 9,395 Students have attended 12- Four-Day youth events
- ▶ 1,911 Teams Members have gone on 157 Mission Trips
- ▶ 186 Forty-foot containers (2.6 million pounds) of medical supplies have been distributed
- ▶ 63,350 Blankets have been provided
- ▶ 8,135 Volunteers at tsunami disaster locations
- ▶ 527,450 Meals have been served
- ▶ 43,935 Street Children have been ministered to
- ▶ 10,477 Orphans and disadvantaged children attended 84 camps
- ▶ 14,098 Teenagers have been involved in abstinence programs

## 2013 Finances

\*Last year, Gift in Kind was equal to 38% of our total income. Though we will continue to receive GIK, by way of medical equipment, that will not be the emphasis. In years past, GIK has been as high as 52.5% & many years up to 50 % of total Income
