# 2022 MINISTRY REPORT

---

Mobilizing Leaders.  
Changing the World.

February 7, 2023

# From the President's Desk

Dear [salutation],

It's been a record-breaking year for Global Action! We had set an audacious goal of equipping 2,022 leaders in 2022—and together we blew that goal out of the water! I am thrilled to report that because you gave so generously, we were able to mobilize 2,198 leaders to transform their communities with the gospel over the last year.

We saw a tremendous outpouring as our supporters rallied to provide life-saving assistance to Ukrainians in need. On the front of this report are the faces of two of our Ukrainian pastors who are working as chaplains on the front lines during the war. We equip leaders to go into the world and change lives. Your support makes this happen.

You also made it possible for us to reach leaders in strategic new countries, such as South Sudan, Uganda, Bangladesh, Nepal, and Colombia. There is such excitement in these locations as leaders gain access to theological education for the very first time.

Thank you for investing in pastors and ministry leaders through Global Action. You are changing lives forever.

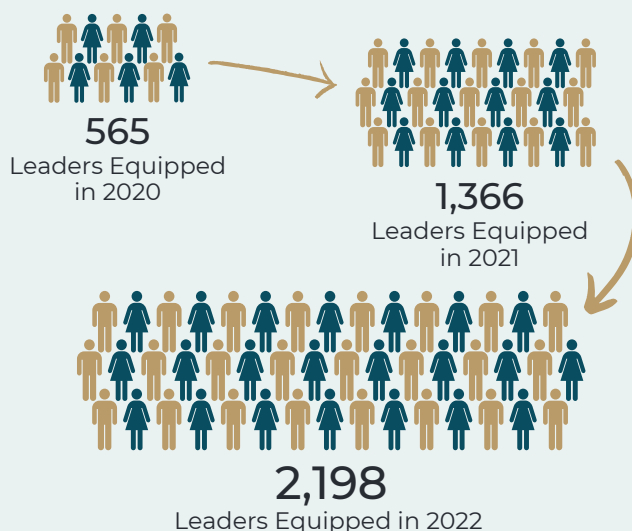

With gratitude,

Dr. Rick Thompson  
President
