2024

ANNUAL
MINISTRY
REPORT

FLOURISHING

February 7, 2025

From the President's Desk

Dear friends,

2024 was a year of meaningful change and healthy growth for our organization. Because of your faithful partnership, we equipped a total of 2,749 leaders through either our *Foundations* program or standalone seminars. The breakdown for that is 1,832 students in *Foundations* and 917 in standalone seminars. We equipped leaders from 17 countries!

I am continually amazed at how much we are able to accomplish with the resources God has provided. We remain passionately focused on our mission to equip leaders in hard places. Our commitment is to invest heavily into strategic leaders in some of the most unreached and under-resourced places on earth.

We take a very strategic approach to the great commission—we disciple the disciple makers! Our students go out and make disciples, preach the true gospel, plant healthy churches, serve the poor, and ultimately transform their communities. I know of no more imperative mission than that, and you are helping us accomplish it.

Together, we are changing the world!

With gratitude,

Dr. Rick Thompson
President

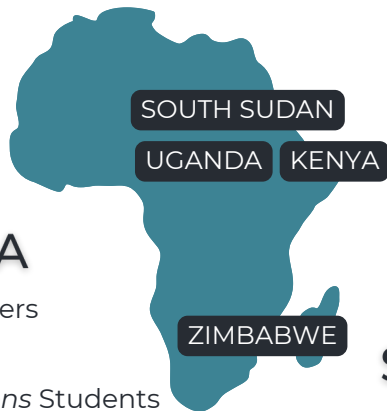

2024 IMPACT: 2,749

LEADERS EQUIPPED TO TRANSFORM THEIR COMMUNITIES WITH THE GOSPEL OF JESUS

AFRICA

616 Total Leaders Equipped
539 Foundations Students
77 Seminar Students

40 Seminar Students

EASTERN EUROPE

317 Total Leaders Equipped
117 Foundations Students
200 Seminar Students

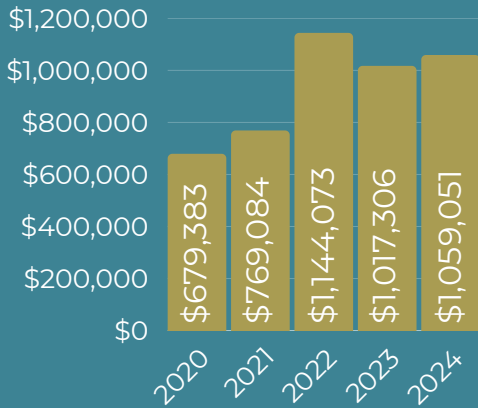

STUDENT SPOTLIGHT: GRANMA, CUBA

**Names withheld for security purposes*

“The people in our community come to us in desperate need.

Recently, they’ve been affected by prolonged blackouts, food shortages, increased drug use and robbery in the area. **It is necessary for us as pastors to receive this Global Action training course to form leaders in our congregation who can impact lives and bring souls to Jesus Christ...**In our case our leaders and missionaries did not have any kind of training..., and this course helped them prepare their own sermons and to preach the pure word of God.”
