## MOBILIZING WORKERS FOR THE HARVEST

More than 90% of the world's pastors and ministry leaders have never had the chance to take even one Bible class. Global Action equips these leaders with a solid foundation in Scripture so they can go out and transform their communities with the Gospel!

## SERVING THE CHURCH IN HARD PLACES

When you golf with us, you are helping strengthen the church in hard places like Ukraine, Cuba, South Sudan, and beyond. In situations of war, oppressive governments, and poverty, churches with well-equipped leaders shine brightly and multiply disciples!

## THE IMPACT OF JUST ONE LEADER

Pastor Volodymyr in Ukraine went through Global Action's trauma training one year ago—and since then he and his team have already used what they learned to train an additional 90 church leaders to provide gospel-centered, trauma-informed care in the midst of war!
